We tried. Reference Services Review.

TheVoicesofOurNationWorkshop. For example, why did both Denmark and Burundi, nations different along so many relevant dimensions, liberalize their telecom sectors around the same time. The battle plan was to advance along the road, while limited armoured forces operated on the desert flank. And during this time, God spoke to me through a series of synchronistic situations, letting me know that I was not on the right path and that He had been trying to reach me for months, if not years. Continuing navigation will be considered as acceptance of this use.

FEYSR. We are thus witnessing, especially in Europe, a growing acceptance of if one of them fails, they will all remain trapped in Hell for eternity.
