Content Migration A Clear and Concise Reference

He released her before she said anything, and she stood, bereft, on the steps. The Night Land is less a narrative than a prose-poem, a mood, an evocation of entropy and dread in a world so old that human progress is over, the Sun is dead and only the end of all things, inevitable but hugely delayed, remains.

Hot Spot Pollutants: Pharmaceuticals in the Environment (Advances in Pharmacology)

Geddes distinguished among different forms of authoritarianism, showing a ruler's base of power affected the likelihood of regime collapse.
