The Race of the Century: History's Most Chaotic Wager (and the morons who ran it)

The Shi'i world experience has provided a rich artistic tradition, encompassing painting, sculpture and the production of artefacts and performance, which has helped to embed Shi'i identity in Iran as part of its national narrative. At a time when British merchant ships treated black slaves as, well, slaves, some pirate ships integrated black bondsmen into their crews as full-fledged, free members.
