Despite the naturalistic abandon of "The Leather Boys," its basic sadness is apparent in Colin Campbell's loss of wife and friend and in Miss Tushingham's similar ultimate loneliness.

Throughout the text, step-by-step case studies guide you through the analysis of network-based evidence. Obviously artistic freedom includes the right to create, publish and distribute without censorship or intimidation, but when we talk about artistic freedom more broadly, and not least in UNESCO context, we also talk about the right to have artistic work supported, distributed and remunerated; the right to

freedom of movement; the right to freedom of association; the right to protection of social and economic rights; and the right to participate in cultural life. If Leila was this independent, lone wolf fighter, hater-of-the-indoors who refuses to stay put for anyone I couldn't get inside her head to figure it .
