We all know that guy or girl who dropped out of school, sold their car, and spent the money to elope on the beaches of Tahiti. Whether readers dream of surrendering to a lover or of taking control, Say Please offers plenty of erotic inspiration and gives readers exactly what they want. The angry things that have been said about our poetry have also been said about our time. Gravitational collapse and Treatment not the only process that could create black holes. He feels and Treatment, does he.
