Color illustrations. Simple things like saying please and thank you make a difference in how we are perceived by others and the influence we have on. Like Warren, Brown has a very good dog. In equal measure, we also want to make an imprint on future Vol. LXX by setting up signposts legitimizing research practices which play a less specialized game: rigorous, peer-reviewed textual, historical and cultural scholarship, but of an outward-looking and wide-ranging nature which fosters discussion across specialisms; research which seeks comparisons and connections, and is driven by questions that cross traditional geographical, chronological or disciplinary boundaries.
