Murphy, eds. This brings up an interesting ethical problem: while they can't be sure what their ultimate goal will be, our heroes are pretty sure that the system will eventually have to be destroyed - as far as they know, it is the Otherland system that is keeping them trapped, and their loved ones in comas. SolidsJ. About this product. Jun 07, Grant rated it did not like it. For the uninitiated, the Doctor is a timelord who travels through time and space, generally having adventures with a succession of plucky companions. Fujii could see only two fires, one across the river from his hospital site and one quite far to the south.
