The proper role of the federal government, meanwhile, is a central issue in most national policy debates and has become an increasingly salient issue in political campaigns see Figure The largest percentage of both immigrants and the native-born held opinions that fell somewhere in between these two more extreme positions, and in fact immigrants were much more likely to be in the middle. Smid S. Being a soldier demands a high level of technical expertise. The evidence on which we may build our speculation can be broken down into three main categories: the external bits of biographical information that can be gleaned from Suetonius, the internal evidence of the poems themselves, and the relationship between the dates of publication of the poems as collections and the progress of the regime in establishing its authority. If you

make up your mind to serve Satan, do not pretend to serve God;
and if you serve God, serve him with all your heart.
