Reactions: A Thriller that is flirting with an horror story, that surprises and gut-wrenching. This includes instructions provided by producers and directors, edits and additions made by orchestrators, changes and revisions made during recording, and the further editing and mixing of the music editor and sound engineer, who not only determine the soundtrack balance during dubbing, but also make the final decisions regarding placement, duration, and structure of musical cues. Which is a shame, really, because the story is pretty captivating and has proven Where He Leads be somewhat prescient. Chapman, G. Goodreadsistheworld'slargestsiteforreaderswithover50millionreview
